

YOUNG VOICES OF MELBOURNE

# Fire Us

For a choir that will add extra special class to your next event, get in touch with us. We have choirs of various ages and more than 30 years experience singing at conferences, exhibitions, private concerts, weddings and large public events such as Municipal Carols nights.

We have sung at events such as the Opening Ceremony of the Commonwealth Games in Melbourne, the opening of AAMI Park with Katie Noonan, 2019 Multicultural Arts Victoria Premiers' Gala Dinner, Remembrance Day Ceremony at the Shrine, the launch of the national Music Count Us In campaign and the launch of the AMEB's first Orchestra Online project.

We have sung at events in venues such as Federation Square, The Melbourne Convention and Exhibition Centre, Melbourne Town Hall, Melbourne Recital Centre, Deakin Edge, the MCG, Jells Park, Caulfield Race Course and more.

We are also available for recording sessions for advertising, film productions and private projects. We have recorded the theme music for Chris Lilley's TV shows We Can be Heroes and Summer Heights High, sung on many CDs by children's entertainer and educator Susie Davies Splitter, recorded for bands including Voyager Run, sung in advertising campaigns for companies including Ferrero Rocher and have performed live with groups such as The Idea of North, Lior, Ensemble Liaison, Foreigner and Basement Jaxx.

Whether you are looking for cute primary school aged singers, our internationally recognised teenage choir or our wonderful young adult choir, Exaudi Youth choir, we have the group for your event or project.
